The purpose of this Technical Order (TO) is to outline the assistance performed by AFMC organic or contractual resources for all levels of maintenance (organizational, intermediate and depot). TO 00-25-107, 31 May 1999 is supplemented as follows.

SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

6.1. Requests for technical assistance are sent to the appropriate ALC SM/IM or AFMETCAL by the quickest method. If on-site technical assistance or the expenditure of ANG Depot Purchased Equipment Maintenance (DPEM) funds may be necessary, then the following applies: For F-16, F-15, and A-10 aircraft, telecons must be followed up to the respective ANG/ACC action offices. For AMC gained C-130 aircraft, telecons must be followed up to the respective ANG/AMC action offices. For all other aircraft, telecons must be followed up to ANG/LGMA.
